Commissioner for Patents

In the IDS filed 28 March 2005, the PTO Form 1449 was previously missing from the record. On 14 September 2005, Applicant faxed to the Examiner a copy of the missing Form 1449 along with the return post card, which confirmed the Office's receipt of the Form 1449 on 28 March 2005.

Accordingly, the US Patents cited have been considered and their citations initialed

As the foreign references had been previously considered and made of record in the Form 892 dated 29 July 2000, their citation is duplicative and therefore lined through.
